## Procedures:

\*BSCC reserves the right to terminate any sanction with any producer at any time.\*

Must charge \$5.00 BSCC fee on every entry.

Producer has option to keep \$1.00 of BSCC fee to use for future races, etc. Remaining \$4.00 will go to finals added money.

If producer is running a double header, they have the option to allow their contestants to roll into the second race.

BSCC requires 14 days notice on all race approvals. Approval form must be to us 14 days in advance or race will not be approved.

Any location change in a race must be made in 14 days advance unless there are specific emergency circumstances such as weather. BSCC will consider these circumstances if they come up.

Upon BSCC approval races with at least \$2000 added money may be offered as a qualifier for BSCC Finals for any member participating in that race if they have a current membership. They must pay

their \$5 fee and the producer is responsible for sending this in. This fee will be applied to our finals pot just as all other fees accumulated. A "Qualifier" race constitutes as one race. You must have five races with BSCC to compete at finals.

Must turn in all fees and race information within 10 days of race. The producer will be fined \$50 if results and monies are not to us within 10 days of the race. This is so we can maintain an updated website for the riders.

Membership Incentive: For every 15 memberships turned in through your races, BSCC will award you with an incentive. Memberships must be turned in by the producer, memberships received by mail on an individual basis will not be credited to any producer. Contact BSCC management for details.

BSCC advises all producers to allow a maximum of 60 seconds per rider to start their run. All BSCC Management produced races will follow this rule.

BSCC offers race liability insurance now to producers if they need it. There is a fee of \$50 for the insurance per race day. If there are any additional insured's requested by your facility or the facility needs to be added to our policy there is a one time \$20 additional insured payment to be paid by producer. There is a two week advance notice to any producer who needs insurance. BSCC needs an emailed request for insurance. Producer will be invoiced at that time and the certificate will be returned to you for your facility upon receipt of payment.
